

Great Barford Community Tree Planting Event

Sunday 18th November, 10:00 and 12:30, at the playing field

The Parish Council has been awarded a Community Tree Pack from the Woodland Trust as part of the Jubilee Woods project. We have 420 young saplings to plant so need lots of enthusiastic volunteers!

The Tree Planting Event will be on Sunday the 18th November between 10:00 and 12:30 at the playing field on Green End Road.

Spades will be provided along with tags so that people can dig in and then "name" a tree with their name, family name or that of a loved one.

Please wear warm clothes and a pair of boots or wellies. The Community Events committee are supporting the event and will be providing hot drinks on the day. Children are to be accompanied by an adult.

Details can also be found on the Parish Council website www.greatbarford.org.uk or contact the Clerk on 01234 870245 or at clerk@greatbarford.org.uk
